PRESS KIT  
FEBRUARY 2025

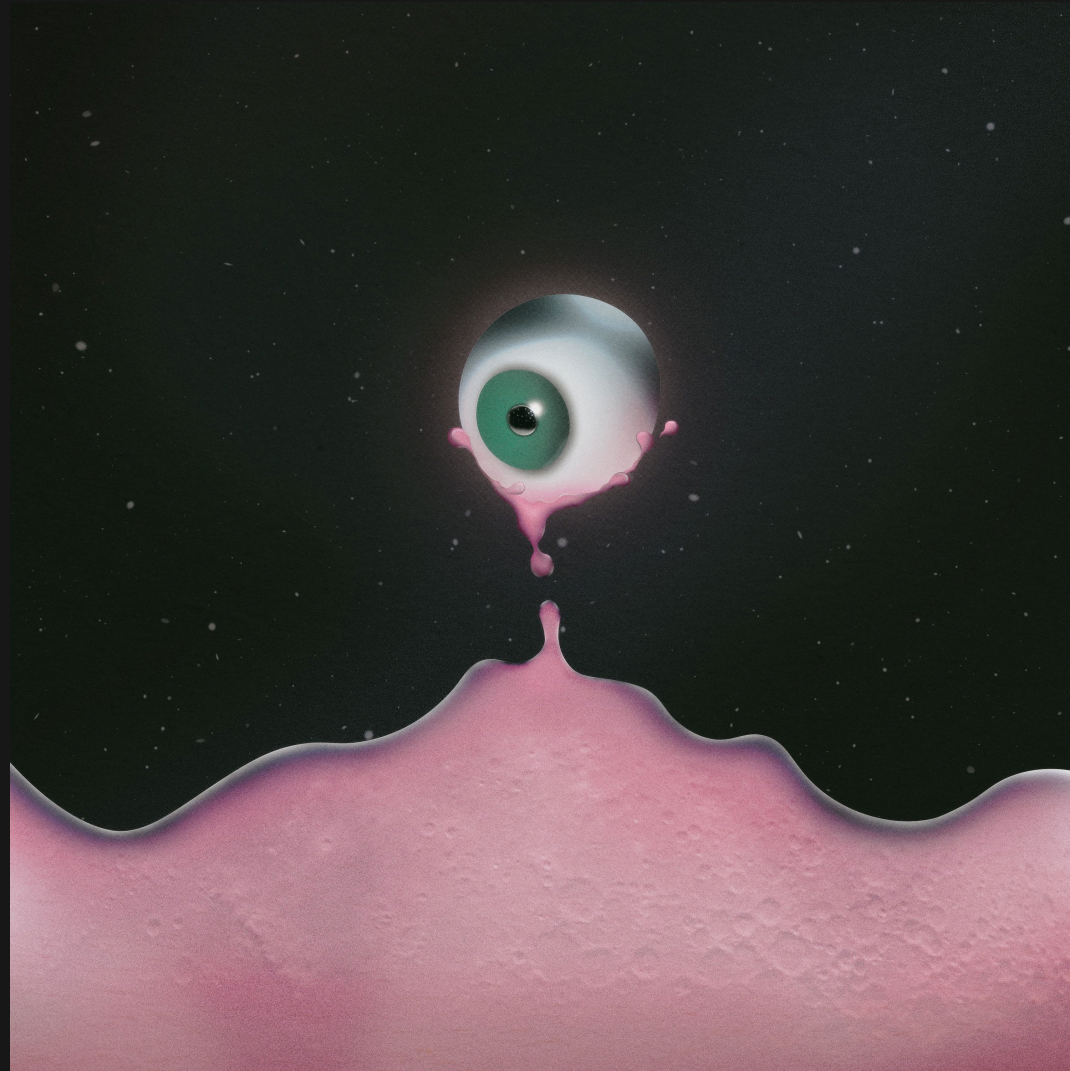

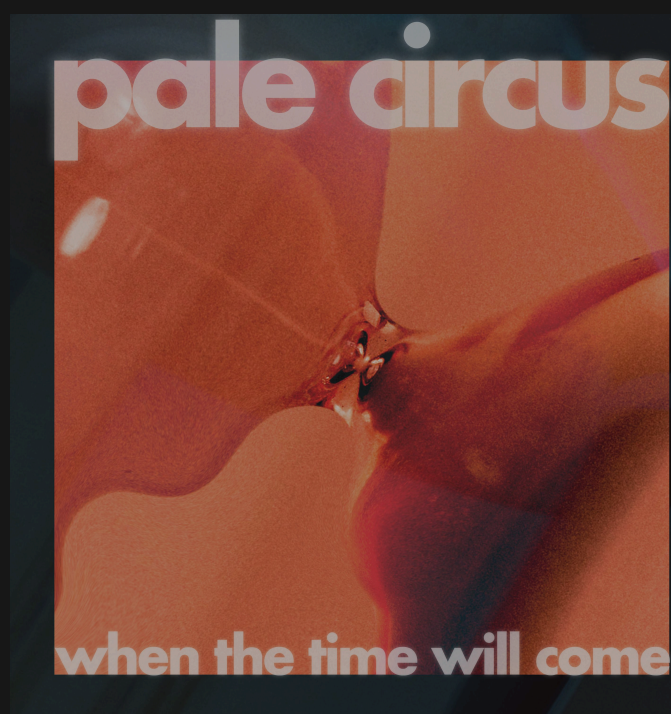

Named after its lyrical concept and feeling, Pale Circus is an alternative music band that thrives unique sounds. After Ege spent a lot of time on different genres and find new sonics and sounds at the beginning of 2020, Ege finally started to write the debut album called "Collecting Memories", which is released on 2023. They now write new music and perform as a four-piece music band with Cem on drums, Dersu on keys and guitars, Doğuhan on bass guitar and synth bass and Ege on guitars and vocals. Inspired from the genres such as neo-psych, shoegaze, psychedelic rock, dream pop, indie pop, they now create new music, singles and working on a new album together with more evolved musical approach and perspective.
